SPEAKER: DAN SEABORN

Dan Seaborn is the founder of Winning At Home, Inc. — an organization that produces media resources and hosts special events to develop marriages and families. Currently Dan is serving as the division leader for the Marriage & Family Division of the American Association of Christian Counselors (AACC). Prior to starting his own organization, Dan served at a large church in Michigan as Pastor of Student Ministries and then as Pastor of Family Life. He and his wife Jane have four children and live in West Michigan.

Dan was the featured speaker at our first Date Night, and we are delighted to have him back to celebrate our tenth anniversary this year.

SPEAKER: DANNY & KRISTIN ADAMS

Kristin and Danny Adams are entertainers, content creators, public speakers and viral sensations who, according to Indianapolis Monthly Magazine, are “taking your co-worker’s YouTube break by storm.” Passionate about God and family, K & D post new videos every Friday that are fun and entertaining for people of all ages. They launched their social channels in June 2015, and already their #LaughterIsTheBestMedicine online community has grown to nearly 1 million people.

Kristin and Danny have had a variety of experience in the entertainment and sports industries, including Kristin’s time on FOX’s American Idol and Danny’s years as a quarterback in the European Professional League – but only after he was a 2x Football All-American as a student here at Olivet Nazarene University. We’re excited to have them back on campus!
